

First open a web browser and go to www.google.com . Once there you will search for “Facebook Holy Trinity Greek Orthodox Church Casper Wy”. You will then left click on the link provided by google. See below for what the link should look like.

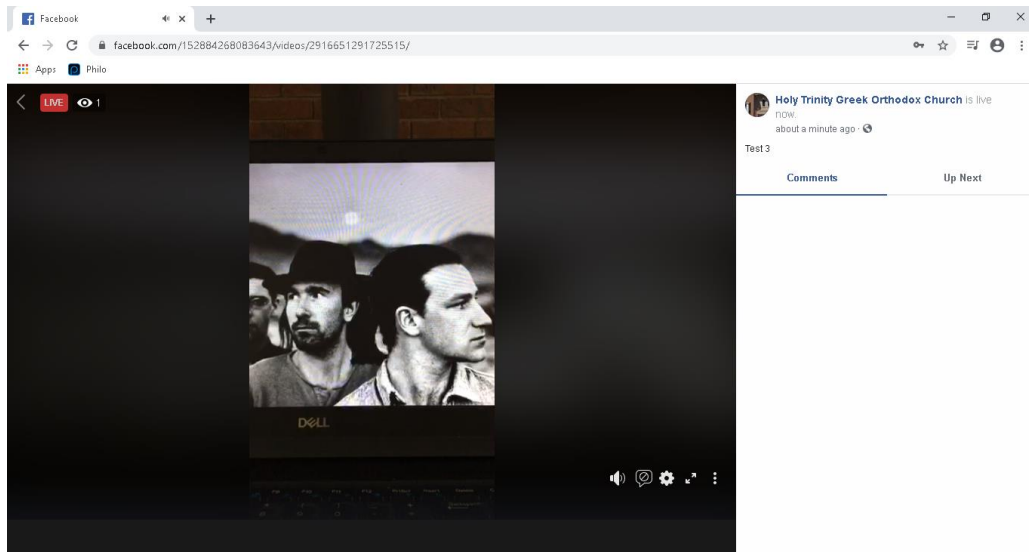

Once you are on the Facebook page it will ask you to log in or create an account. You can ignore this. On the righthand side slide the gray scroll bar down a couple of inches until you see in the lefthand column the word Videos (if we are already broadcasting it will say Live near the word Videos.) Left click on the word Videos and it will take you to a new page showing multiple videos.

Once you are on the page with multiple videos left click on the video that says Live on it.

You are now watching the live video.

To exit left click on the X in the top right hand corner as seen below.
